(Please limit summary to this page with 12-point font text and 1 inch margins. This summary will be used to publicize the efforts of C4 to further advance its mission.

It is the goal of Get FIT to increase awareness of Colorectal Cancer and the necessity of Colorectal Cancer Screening as part of primary prevention and detection in primary care. To this end we will increase access to FIT kits, educate providers, patients and the community, and improve our internal Colorectal Cancer policies and systems integration to increase the rate of screening compliance.
